

LEHIGH VALLEY SUMMER SOCCER LEAGUE
Bethlehem, PA

PLAYING RULES

2019

1. FIFA Laws of Soccer are in effect unless excluded here.
2. A team may field nine (9) players including a designated goalkeeper. Roster size is 20 maximum for the Senior Divisions and 22 for the Junior Divisions. A forfeit will be declared (the score will be 3-0) if a team has fewer than seven (7) players and/or is ***not ready to play at the scheduled starting time***. If a team, during a game, is reduced to fewer than six (6) players by reason of injury or send-off, the game will be forfeited. If winning, the score will revert to 0-3, if losing, the score will stand.
3. A game will consist of two 30-minute halves with a five-minute half time. In case of a tie score, one 5-minute sudden-death overtime will be played.
4. The referee is the sole judge of time and score, and has full authority on the field. **No protests will be allowed.** There will be a running clock. It will be stopped only when the referee feels that circumstances warrant more than one-minute time-out. The player receiving a caution (yellow card) or sent off (red card) **is required to give his/her name to the referee** who reports it back to the Directors.
5. Each team shall provide one ball for use during the game. The referee will choose the game-ball.
6. **No offside**, i.e., the offside rule will not be in effect.
7. Either team can substitute on a throw-in, on a goal kick, corner kick, after a goal or injury, and at half time. The referee must be notified before a substitution is made. No subs on free kicks.
8. A player is ineligible for participation in the game following receipt of his/her **second yellow** card accumulated **during the season (including playoffs)**. A red-carded player is ineligible to participate in the match following that in which he/she was sent off. Ineligibility may extend to more than one game depending on the nature of the send off. The Directors determine the length of suspension. **All red card suspensions will carry over from one season to the next.**
9. **Playoff Games:** If score is tied at the end of regulation time, a maximum of four (4) sudden-death periods of 5-minute duration will be played until a goal is scored. Exception: in case of double-headers, where none or only one 5-minute sudden death overtime period may be played. There is no "rest" provision between overtime periods. If game is still tied, penalty kicks will be taken to determine the winner.
10. Use of foul language will result in an automatic caution (yellow card). The referees are asked to strictly enforce this rule! We have many family members present and your cooperation is requested.
11. Player(s) sent-off for fighting will be suspended for the remainder of the season as a minimum.
12. A player who is not registered receives a caution will automatically penalized with a one game suspension; and if the unregistered player is sent off (red card), the player's regular suspension is doubled. E.g.: instead of one game, the player sits out two games. The team may also be penalized with a forfeit and fined \$50 for using an ineligible player.
13. A player who gives a **false name** to the official upon receipt of a caution will be penalized with a one game suspension; and if he/she is sent off (red card) and gives a false name to the referee, the player's regular suspension is doubled. E.g.: instead of one game, the player sits out two games.

NOTE: Playing Rules 12 & 13 above are designed to eliminate unregistered players and encourage honesty at all times.
