L. V. Summer Soccer League

Promoting summer recreational soccer since 1971

March 14, 2020

Dear Soccer Enthusiast:

We are looking forward again with renewed anticipation to our upcoming 49th Lehigh Valley Summer Soccer League season. Please read the attached information, organize your team and join the other players, coaches and officials in making this 49th year another enjoyable experience!

A team entry fee for this year is \$525 per team, and the player registration fee is \$10 per player (same as the past 19 years). A roster addition after the May 11 deadline for team entry is \$15/player. In order for the team to be accepted, a minimum of 16 players must be on the roster form, including their own signature. Please begin organizing your team now and not wait for the last minute. Please note that due to high school commencements in the first 2 weeks of June, the availability of all fields will be limited, similar to last few years. The schedule will be similar to previous years when a given division may have bye while another division is scheduled to play. All games will be played at the Goodman Campus of Lehigh University. Depending on the number of entries, we may have to schedule a few games on Fridays, including rain-outs. *In case we have to limit the number of teams, the first-come first-serve criteria along with completeness of entry requirements, including Parental Release forms* will be used.

The **Junior Division** will have both Men's and Women's Jr. Divisions in two groups playing at 6:00 and 7:15 PM, the same as previous years; BOTH divisions excludes 2020 H.S. seniors. An adult **MUST** represent each Junior Division team on each playing date and will be responsible for general supervision. Both 6:00 & 7:15 PM groups are treated as equals, i.e., *no JV or Varsity designations*. Field availabilities may require to also play on Tuesday and Thursdays but these will be limited.

Both the **Men's and Women's Senior Divisions** have no age limits and the Men's Division teams can be coed, pending a minimum of four (4) team entries per division. A player should have graduated from high school or be over 18 years old as of 13 June 2020 to be eligible to play. This year we plan again to have two groups for the Women's Senior Division, (a) one for the current or recent college players or high school graduates ("Open" Group), and (b) one for the recreational or more mature player ("Rec" Group) pending the entry of four teams minimum per group. Please indicate your preference on the Team Roster entry form.

Please complete the Team Registration and Roster Form and return it with the appropriate fees and Parental Release forms as soon as possible but not later than May 11, 2020. Please indicate your preference for game starting time (6:00 or 7:15 p.m.).
